SCATTERED BY POLICE.
Streets Cleared of the Quaker Doctor's Rheumatism Party.

Last night the mounted patrol cleared the streets at the Quaker doctor's show in Chinatown. Notice was first given to the crowd. The horses were not forced upon the sidewalks, as has been stated.

Today the Quaker doctor said upon the streets that a Chinaman was knocked down and had his leg broken. After a thorough investigation this morning Marshal Brown offered a reward of \$25 for a sight of the Chinaman, which still holds good.

Speaking of the matter the Marshal said: "The police did their duty. Everybody knows perfectly well that the streets cannot be blocked by any one. A few years ago the Salvation Army had trouble in the same way, and the police are expected to keep the streets clear in all places at all times."

LOSES HEAVILY.
The First Nebraska Suffers Great Casualties.

LINCOLN (Neb.), April 25.—Including the four killed in the engagement Sunday the First Nebraska Regiment has since its arrival in the Philippines lost a total of forty-three men. Of these seventeen were killed outright in battle, six died as the result of wounds received in action and twenty by reason of accident or disease.

Adjutant-General Barry believes the First Nebraska has suffered a much greater loss than any other volunteer regiment in the Philippines. The figures given are official. The number of wounded (unofficial) to date is 139.

THE THREE MILLIONS.
WASHINGTON, April 24.—Major Francis B. Dodge of the Pay Department, recently relieved from duty at Denver, has been selected by the War Department to disburse the \$3,000,000 allotted by the Government for the payment of the troops of the Cuban army as a condition of its disbandment. Major Dodge was at the War Department today in conference with the officials in regard to his mission and expects to leave for Cuba tomorrow.

ENGINEERS WANTED.
NEW YORK, April 25.—Major J. K. Knight of Fort Totten, Willett's Point, has received orders from the War Department to make preparations to send 50 engineers to the Philippines. The men will be selected from Companies B and D. Those desiring to go will be given the preference.

STRONG CONSTITUTION.
"For forty years I was not in bed a day on account of illness, but I have recently been threatened with kidney and bladder difficulty, and sometimes with the grip. Believing an ounce of prevention is worth a pound of cure, I resorted to Hood's Sarsaparilla and it has kept me in good health." Mrs. W. E. Beckwith, Lampee, California.
